

PMAM

Company PROFILE

Persatuan Makmal Akreditasi Malaysia

ABOUT US

Persatuan Makmal Akreditasi Malaysia (PMAM) is a Non-Government Organization registered under the Registrar of Societies Malaysia. PMAM was formed through the initiative of Standards Malaysia to bring together all accredited laboratories under Skim Akreditasi Makmal Malaysia (SAMM) as well as other laboratories operating in Malaysia.

VISION & MISSION

Vision

- Forefront of International Standard in the region.

Mission

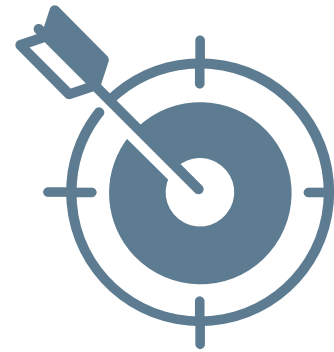

- Attain competency and accuracy together

OUR GOALS

Interlab Comparison

- More Program

Training & Consultation

- More Training on ISO needed by Client

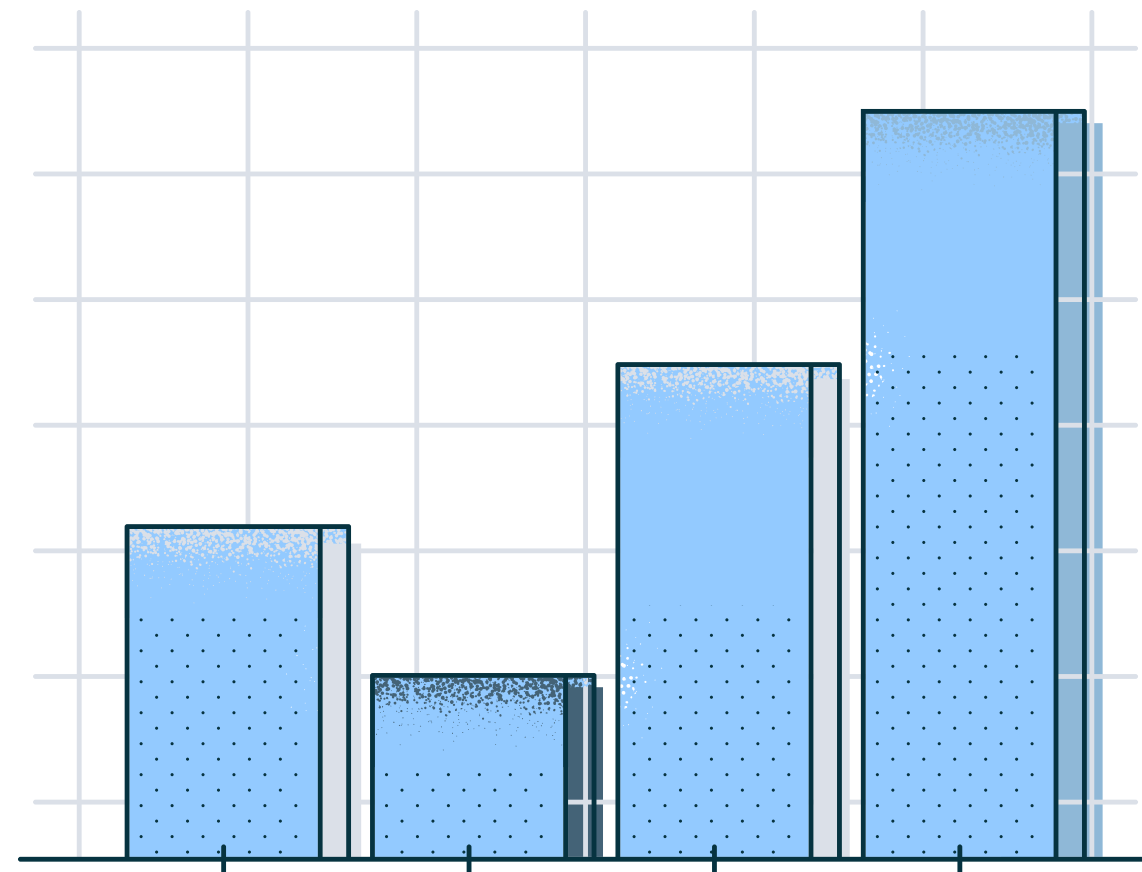

Training Provider in Malaysia

- Be recognized by HrdCorp

OBJECTIVE

- To unite all accredited laboratories operating in Malaysia under a national association.
- To be the official representative of all accredited laboratories in Malaysia.
- To be the main player in discussions with the Department of Standards Malaysia.
- To provide a platform for discussion and collaboration between fellow members of the association.
- To provide training and learning for laboratory workers.
- To enhance awareness of good lab practices as well as professional practices.
